Commissioner for Patents
Post Office Box 1450
Alexandria, Virginia 22313-1450

Sir:

The PAIR system indicates that a non-final office action was mailed May 7, 2003. Applicants' attorneys did not receive it, however. Applicants contacted Examiner Yaen who informed the undersigned that the non-final office action had not actually been mailed. The examiner informed the undersigned that the non-final office action was found in the file in Central Files. Examiner Yaen indicated that the non-final office action would be mailed. However, as of today, the PAIR system still indicates a mailing date of May 7, 2003.

Applicants attach copies of its law firm's log of incoming PTO mail for the dates May 8, 2003 through May 22, 2003, Tab 1. There is no listing for serial number 09/918,715 or docket number 001107/00134.

It is respectfully requested that the Patent and Trademark Office restart the time by mailing applicants an official copy of the non-final rejection. Such action is appropriate in

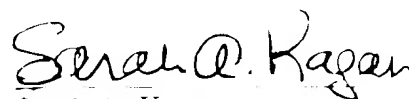

Serial No. 09 918 715

view of applicants' failure to receive the office action and the examiner's indication that the office action had not actually been mailed

If any fee is required, please charge our deposit account no. 19 0733.

Respectfully submitted,
